From

The Chief Operation Engineer (South),

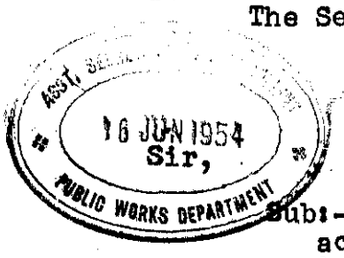
To

The Secretary to Government,
Public Works Department, Madras.

No.2613E/53-1 dated 12-6-54.



Sir,

Sub:- Electricity Department - Establishment - Staff of acquired electrical undertakings Technical- Absorption into suitable Operation Subordinate Service posts of the Department.

Ref:- 1) G.O.Ms.No.2902 P.W. dated 8-7-53.
2) C.E's letter No.1329E/53-12 dated 17-2-54.

Three drivers of the Udipi Electrical undertaking who were getting pay in the scale of Rs.30-2-50 were absorbed as Drivers (special cadre) on their same pay and scale of pay in view of the fact that they would get large increase in pay if they had been absorbed as Drivers in the Operation Subordinate Service in the scale of Rs.50-2-70 for which post they are not also qualified. Later, in view of the duties and repsonsibilities of the posts, they were absorbed as drivers (Special cadre) in the scale of pay of Rs.50-2-70 with effect from 1-4-53.

2. As these special cadre drivers have tc be absorbed as Drivers in the Operation Subordinate Service in the scale of Rs.50-2-70 with effect from 1-6-51 the date of taking over of the Udipi Electrical undertaking as per G.O.No.2902 P.W. dated 8-7-53 I have ordered that they may be deemed to have been absorbed as Assistant drivers in the scale of Rs.30-2-50 with effect from 1-6-51 to 31-3-53 to avoid payment of arrears of pay to them with effect from 1-6-51. I request that my action in having created a category of Assistaat Drivers in the scale of Rs.30-2-50 for the period involved may be approved.

3. Sri John Veigas, Line Supervisor of the undertaking was absorbed as such in Special cadre as being not qualified for he was absorption in suitable Operation Subordinate Service post and the pay fixed was the same as he was drawing on the vesting date viz Rs.120 in the scale of Rs.100-5-150. Though the incumbent can be absorbed in the Operation Subordinate Service on a suitable pay in the category of Foreman I Grade (Rs.125-5-175-10-225) the Superintending Engineer, Pykara Electricity System has stated that he cannot be fitted in this category. Further he is not qualified for the post. It is proposed to convert the post to that of senior Line Inspector in the scale of Rs.90-5-120 but to permit Sri John Veigas to draw pay in the scale of Rs.100-5-150 so that he will not suffer loss in emoluments. I request approval of Government for Sri John Veigas being retained in the scale of Rs.100-5-150.

4. I request early orders of Government on the above proposals.
